Showers of Blessings

Please pray for Pastor Dial, Marthe & family

Fiona brought lots of wind and lots of rain. Then Ian fussed a little which has slowed construction down a bit but progress on the building can be seen every week. We have finished the foundation work, septic system, cistern, columns and the property is at the right level so the floor and platform can be poured. God has blessed and we have received over the last couple of months \$45,000 which will allow us to finish the plumbing,

electricity, floors and roof. Thank you so much for praying and giving. Please pray inflation slows down so we can do all that we have planned. We are praying we can have a special service on the grounds of the new building at Christmas time. More people continue to move here as the crisis in Haiti continues and the church is growing through visitation and men and women receiving Christ. We have started a new mission on Monday nights in las Palomas that is being well attended. The mission in Canca is also doing very well under the leadership of Mitho. Please enjoy the following videos:

Couples Keep Obeying the Lord

Church had to flex inside (with many outside) due to a storm but continued with yet another dual wedding. It was a beautiful service and since marrying Pastor Dial and Marthe almost 15 years ago, every couple still goes through 3 months of mandatory marriage counseling. During that time, these couples decided to get married together. ❤️ Please pray, Pastor Dial and I have been asked to travel to Haiti to do Jonal and Yvetha's wedding, but due to the current situation are not going to be able to go.
