BIG Blessings in Croix des Bouquet

Church & Beautiful faces of Haiti albums added

It was really great for our team to reunite with our friends from Farmington, New Mexico in Haiti this month. Half of the team from 2011 returned once again to support many different areas of ministry. Being able to advance the construction of the second floor of Bible Baptist Church's auxiliary building was icing on the cake. The church is growing and we think the 5+ albums

posted this month on www.facebook.com/dr4jesus speak for themselves. The church, auxiliary building and the Timothy Leadership Center still have a lot of construction needs but we know the Lord will provide in His perfect timing.

Dr. Woodson from www.valleyvetpet.net treated over 100 animals while in Haiti. This outreach has grown each time Dr. Woodson has come and soon the church will have a book translated into Kreol on caring for goats. It might sound different but accompanying this with tracts and invitations not only builds the church's testimony but has resulted in many visiting the church as well. God is Good!
