A Bus Could Make A Whole Lot of Difference

2006, 50+ passenger school bus is more than \$25,000

The vast majority of our church members both in IBB Tamboril & IBB Don Pedro do not own a vehicle.

Members come from up to 25 minutes away as IBB Tamboril is the only Baptist church in the Tamboril-Canca-Guazumal area.

Members come from up to 30 minutes away to Pastor Dials church which is the only Baptist church in the Don Pedro-Licey-Pontezuela area.

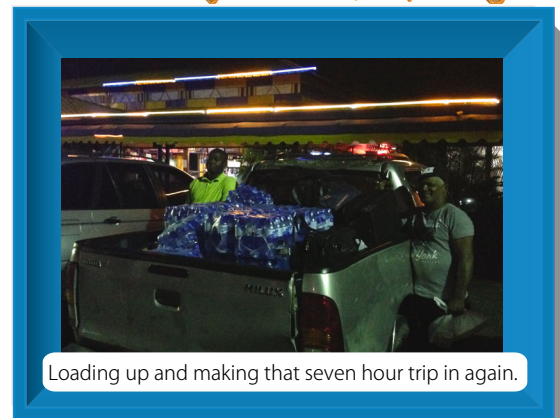

Our Toyota Sienna has been used every week close to five years transporting members and guests over an hour before church and after church and it is getting worn.

In 2012 we purchased Pastor Dial a Toyota Previa van which he uses to transport guests to church as well as transporting groups into and around Haiti.

It is costing more in gas per week to run the vans, than one diesel bus would cost servicing both congregations not to mention the savings on transportation rentals for special activities, retreats, camps etc. Thanks to Florence Baptist Temple and Friendship Baptist Church in Owasso we have raised \$12,693 and are **half way to our \$25,000 goal** 😊

Haiti Team Back Together

Please pray for us, Pastor Dial and I have been into Haiti several times this last month, last week we took Luis in to get all our tools ready and this week Jorge kick starts us up blowing concrete on EPS foam panels again. If anyone would like to help financially, let me know and I will let you know a few materials we could use.

Loading up and making that seven hour trip in again.
