Serving Others, Sharing Christ and Striving in His Strength

Marthe teaching on Deborah - kids enthralled!

Sunday School in Don Pedro at 7.a.m. is always packed. It is a blessing that there are men in the Church that can preach and teach and do the work of the ministry. This free's up Pastor Dial to teach his new believers class. I'm also grateful for Marthe, Pastor Dial's wife. How Marthe just opens her Bible and holds all the little one's attention for over an hour is amazing. Toward the end of Sunday school

before heading to Pastor Oscar's main service in Gurabo, I was able to address everyone together about how great my heart procedure went. I also asked everyone to pray for Regina's recovery from foot surgery. There was also a distinct feeling of excitement as Pastor Dial presented me the approved architectural, conceptual, concrete, steel, plumbing and electric plans of the new church building. We still have a way to go on having the necessary funds to build but every month we get a little closer and are trusting the Lord to supply in His timing.

Another Church Plant Underway

Pastor Oscar, Melissa, Regina and I visited, prayed and worked daily to get the Church in Gurabo off the ground last year, but the Lord had other plans. The pandemic put things on hold for a time, but not any more! Oscar & Meli are doing a tremendous job, the right way, with slow and steady growth and average attendances of 30 each week. Yes, there are Covid rules & curfews - but the gospel will not be bound.

Please pray for Oscar, Melissa and little Hadasa
