## Medical Clinics Producing Fruit

Registration is important and is where everything begins

**A** year ago we were able to participate in a medical clinic ministry in Costa Rica with Florence Baptist Temple. Much of what we learned we have been able to implement with the Mobile Clinic here at camp. This month we have had clinics in La Caleta, Consuelo and Brisal and in those three clinics 14 made positive decisions for Christ. This last week was our most successful medical clinic

ever. The doctors saw 146 in Los Llanos (a community 80Km from San Pedro de Marcoris) and 41 made positive decisions for Christ. Each person was individually dealt with and statistically, that is almost a 30% response rate. This type of response has never happened before in our ministry. Obviously, God had a very special plan (it was non-stop from 8 a.m. to 7 p.m.) and it was a revival type atmosphere. We are still celebrating and are very happy for Pastor Raul Santana from the Bethel Baptist Church who worked side by side with our evangelistic team and literally has a whole new church congregation to work with - 😊 - all the honor and glory goes to the Lord.

## Preaching Opportunities

**I** have preached in several churches over the past few months around Boca Chica. Templo Bíblico invited me to preach Sunday morning on Valentines Day and I brought a message on true love from John 4:7-11. **E**very month, Pastor Dial has invited me to preach in Don Pedro. It is such a blessing to see everyone. Martha is expecting her 3rd child and Pastor Dial has begun preparing by teaching a portion of her class. 🙏
