Remembering Haiti: 5 Years Later

For the million+ survivors, the little they had was lost.

January 12, 2015 marks five years since a catastrophic; magnitude 7.0 earthquake hit Haiti, claiming hundreds of thousands of lives. Death was everywhere as Port au Prince was brought to its knees. In the weeks and months that followed donations poured in and our ministry was forever changed as we became a key component in our Fellowship's response. I will forever be grateful for

my wife and the men who joined our national team during those hard and long days. I am very proud of them as we gave out amazing amounts of food, water, medicine, etc. Most of this we obtained by simply filling out an application (over \$500,000 worth) which went to the Baptist churches that existed in Haiti before the earthquake. As the Lord led we began a much longer and tougher second phase - construction. 3 separate projects of over \$300,000 were started and 2 still need to be completed. During that time we determined to start a new Church, which still costs our ministry over \$1200 a month. Our support level since January 2010? Unfortunately, our monthly support has gone down over \$1000 a month. How is this possible? Why continue? SIMPLE - Our GOD is able - The new church is growing, we have made close to a 100 trips in country. Keep praying that Pastor Clifford and Louisna (who have many needs) will continue to grow in their relationship with Christ as they lead their Church to honor and serve God. Don't pray for things to get easier - Pray that we will get stronger.

Tweet 1/20 - Haiti's political crisis is deepening - need to pray that Haiti's new leaders will honor God & Serve
