## "Do What is Right" Vacation Bible School

We are happy to report (and its a little weird) that Tamboril is doing GREAT- without us! The church just celebrated its fourth annual VBS and had 11 young people receive Christ with average attendance's of 80 each day. We are here in the U.S. on furlough so we could not be there and had been planning and praying for this first activity and God really blessed!

They memorized verses, played games, sang and on Sunday morning presented what they had learned to their parents. The VBS was entitled Haz lo Correcto (Do What is Right) based on Deut 6:18-19. "And thou shalt do that which is right and good in the sight of the LORD . . ." In our city children are making life changing decisions at a very early age. Seeing our church teaching these little one's to decide to do what is right based on the Word of God, even though we are not there, is tremendously encouraging. Please pray specifically for our leaders that over the next year they continue impacting lives every week.
