## Building with a Vision for Don Pedro

Don Pedro continues to grow and needs new facilities

The majority of third world countries Regina and I have lived in and visited suffer from the same problem, masses of people who live on relatively small pieces of real estate. This makes buying land and building buildings difficult and expensive. Our national association members feel purchasing the property for the Bible Baptist Church in Don Pedro for \$28,000

a few years ago was an incredible blessing. Moving closer to the center of Santiago proper (20 min drive) - this same property size would be easily 10 times that.

Your generous giving made this purchase possible. We feel the time has come for Don Pedro to take the next step and begin building a building that can sit 300. Pastor Dial and his wife Marta have been doing a great job in Don Pedro and just had 5 more adults receive Christ as their Savior. We currently have the plans, measurements and workers. We need funds and construction teams. Would you and your church pray and give to this new building project in Don Pedro?

## Equipment Needed

As we plan our return, we still need to obtain any used video equipment, sound systems, electric pianos, guitars or laptops, if they are available.

## Prayer Retweet

Both Regina and I have quite a few Dr's appointments over the next 10 days. Finishing everything up before we end our furlough
