The Fruit of Love - A Spiritual Valentine

Enoch, born on Feb 19th at 6lbs10oz's

Pastor Dial & Marthe welcome little Enoch into the family, we cherished the time together and gave thanks to the Lord for His many blessings. Tiffany started jumping up and down wildly, in the morning as she heard the news, for it was her birthday as well. **W**e have been busy starting another church with Oscar and Melissa. We all have been handing out 400 invitations per day for the launch on March 29th. Its really already started as they have begun weekly Bible study's in the home of Gisel & Danny. Gisel accepted the Lord last week and we are praying for Danny.

Oscar and Melissa (and their baby girl Adasa) are from Mexico and were working with the churches we planted in Cuba before they too were forced to leave by the communists. They started yet another church in Cuba with a young person (Jose Enrique) that had grew up in the fourth church we planted there over 16 years ago. Thankfully Oscar and Melissa didn't go to prison like we did but suffered greatly in having to leave, we are familiar with this pain and are working hard so that they can invite Jose Enrique to there first planned missions conference in November. We began our relationship online almost six months ago and are thankful that God has led them here to Santiago. Pastor Dial had Oscar preach for him while he and Marthe were in the hospital and his first sermon was from Heb 11. The church was blessed and gave him a love offering and a box of tithing envelops he had requested. 😊
