Joy in the Covid-19 Journey

Tyler & Heidi marry in a beautiful family affair

Covid certainly has changed many plans but we are grateful to the Lord for His provision during the trials of these times. All of us, including Tyler and his new wife Heidi, got the virus. Tyler & Heidi, the same day they tested positive, lost their sense of taste and smell for several days, as did Jordan. The girls had more severe symptoms and it took about a month for Regina to get back to normal, but she was never hospitalized.

We've since had our annual physicals and the girls all got a clean bill of health. Thankfully, all that happened before the boys and Heidi started grad classes at Southwestern Baptist Seminary. We are very grateful that their new employers in Fort Worth stuck by them. It is a great joy to preach & teach virtually or in person to churches that are open and invite us in to share. Jordan graduated virtually from Westcoast Baptist College earlier this month and Tyler and Heidi are still planning to have a wedding celebration with guests in Willis, Texas November 6th. God has been so good.

New Church in Gurabo, D.R.

Oscar and his wife Melissa had a service in July to mark the launch of our newest Church plant. After months of preparation the planned launch had to be suspended due to the Corona virus. Since that time many decisions for Christ have been made. Please pray for Oscar and Melissa as an additional service will now be added next month for the Haitian community.
