## Don Pedro Plans Approved!

Structural, Plumbing and Electric plans finished

**B**efore the virus hit we had resubmitted our building plans for the property that was purchased for the church several years ago by Kelview Baptist Church in Midland, Texas. The city requested we add more parking spaces which required several changes in the building design. Those offices have been operating very slowly during this time, but this month our engineer reports that all the plans have been approved! We already have the funds to

clear, compact and fill the property, as well as \$27,000 that was sent in earlier this year. We need an additional \$79,000 for the materials needed to build the sanctuary, that we ask you to prayerfully consider. Our engineer has reduced his fee due to the men in the Church that have volunteered to do the work, including the very capable men I took into Haiti to build the Church there. All this will allow the Bible Baptist Church to grow exponentially. They now meet in a rented house 5 times a week, directly in front of the church property. Please pray for us & Don Pedro.

## More Blessings in Don Pedro

**E**very month during the lockdown, the Church has turned into a packing plant with each church member (over 230) receiving a 10-day supply of food. Most men could not work during the crisis, yet many have

chosen to give their food to others.

This has been made possible by our faithful Churches. Thank you and

more will be given out through Christmas!

Pastor Dial  
sends love and  
gratitude to the  
anonymous family who  
sent this blessing.
