## God Is Leading and the Church is Producing Daily

Meli, Tiffany and JuliAnna teaching songs in Gurabo

Community Bible clubs have been a big blessing to the new Church in Gurabo. Tiffany and JuliAnna have been helping Meli with the children and Regina is teaching Sunday School every other week. Pastor Oscar has been teaching from Proverbs and on the gifts of the Spirit and I've done several messages from the New Testament. Pastor Oscar put together a slimmed down, cheaper hymnal. It contains 70 songs and costs \$2.00,

which is 10 times cheaper than traditional hymnals. It has been a wonderful way to teach new Christians to take ownership of basic responsibilities pertaining to Church life. It might appear to be no big deal but seeing young men and women stepping forward to purchase their own hymnal is another sign of positive growth. Old school visitation is also paying off and we are very grateful for the Chick foundation who has donated thousands of tracts for us to visit with. We also had a Bible Conference with a veteran missionary from Haiti who brought solid Bible teaching every night. Thankfully, many have made professions of faith this month.

### Earthquake In Les Cayes, Haiti

All the reports we have received from loved one's and church families we know in Haiti are positive. Regina and I have partnered with Agape Missionary Flights for over 12 years and they have been flying into the earthquake zone since week one. Please keep the Church we started in Croix des Bouquet (lots of political problems, gangs) and Pastor Clifford's family in prayer. His family lives the closest to the epi center.

Immigration wave continues and we keep visiting
