## Firm Foundations & Family Blessings

Enjoyed having Jordan's girlfriend, Laura with us.

It has been non-stop ministry. If you have not had a chance to follow some of our video updates, we have started building the Bible Baptist Church in Don Pedro (Links Below). Pastor Dial and I have come home many nights with aching muscles but hearts full of hope for the future of the church. Over 150 dump trucks have raised the property level and the outer concrete wall has been completed. Many days still lie ahead and an additional \$6,000 has come in this year, for a total of \$64,000. We still have a ways to go to the \$116,000 project goal,

but with prices going up, we are attacking it daily as much as our engineer will allow. We have also been challenging the church to keep pressing forward in evangelizing our community and rarely a week goes by we haven't had someone receive Christ. In fact, the boys on spring break from seminary visited and Heidi and Jordan shared their testimonies and three adults received Christ as their personal Savior. The trip was a blessing that allowed us to get know Jordan's girlfriend Laura Pepper who is also in the MDiv program at Southwestern. Tyler and Heidi let the family know that they are going to finish their master's degrees but had accepted full time positions in Kansas with one of our longtime supporters, Overland Park Baptist Temple and Pastor Tracy Roby. Our cup runneth over. ❤️🙏

I was in southern Haiti last year with Pastor Dial, but in areas close to the Perdenales border. This year we have been to Dajabón (northern) border. Our team (skilled Haitian and Dominican Nationals) have years of experience in Haiti under very difficult circumstances (I've been imprisoned twice in Haiti and have had more close calls ...
