Putting the Finishing Touches On the Roof

The roof contract with materials & labor came to \$30,000

Some months there are major advancements and March has definitely been one of those. The company we contracted to do the metal roof had been working off sight, welding and putting things together, when all of a sudden, they showed up and erected a substantial part of the work in less than a week. We had been exercising a bit of "faith without sight", working on the concrete pitch and upper windows and are very grateful for our engineer, as it all came out perfectly. During this time, the Church was blessed with 3 receiving Christ as their personal Savior, Mrs. Lidiana Alcuis and two men, Brunel Mesías and Joel Jean on the same Sunday. As you can imagine, funds were drying up, but God provided! Believers from Texas to Michigan, sent in

\$24,000 which has kept the work moving non-stop. We immediately began stuccoing the walls and men from the Church have come on weekends, which has helped a lot. We are preparing to pour the concrete patio over the entry way and Lord willing, will contract the decorative metal security bars that are needed outside on the windows and doors soon. Please pray we will be able to raise an additional \$13,000 to pour the floors, which is the next big project.

Girls Awarded Black Belts

Grand Master and founder Bu Kwang Park, his son Grand Master Kee Bu Park (9th degree) and Master Smith tested Tiffany & JuliAnna's abilities in United Taekwondo. Both performed 8 of the top patterns (30-40 movements each), answered verbal questions, broke multiple boards and spared different black belt candidates. A journey that started 8 years ago, so as to stay active during home school and to learn some basic self-defense moves, turned into something that they really fell in love with. With God, nothing is impossible.

Aprox. 1 out of 10,000 entering martial arts earn a black belt
