Construction In Don Pedro Continues

Christmas Video Update - [Click here](#)

So much has been accomplished over the last few months. We are moving at breakneck speed. All the decorative metal gates have been installed, the front parking lot is finished, the ceramic tile for the floor has been purchased and the roof has been wired for fans, lights, and sound! Due to the progress, Pastor Dial and I, by faith, have decided that rain, wind or hurricane, we are having the building dedication the first week of June, which corresponds to the 15th anniversary of the church. We have been posting video updates to Facebook monthly, as we are building every day.

Those that have given towards this project can see the progress in more detail (Links below). I will share our final list of needed materials with you in Feb.

Currently we have raised over half the needed funds for the interior sheet rock roof but need an additional \$10,000 to get this underway. Please pray for us and thank you so much for your faithfulness.

Sept. Pastor Dial & Gail Update!

Oct. Church Work Day Update!

Nov. Church Work Day Update!

Christmas Happenings!
We began Christmas on Wednesday by taking a break from building the church and went and visited the Pastors, wives, full time workers and their kids. We gave each one a present to not only show our love and appreciation but to fill this season with anticipation, love, and joy as we celebrate the birth of Jesus Christ, the most precious gift ever given to man.
