The Good -

The Good, the Bad & the Ugly - [Link](#)

The church continues to grow! Since the beginning of the year four more adults have received Christ as their personal Savior. Please pray that Guerda & Cattie Pierre & Wisguerson Duvert & Darléne Janvier will complete their discipleships. We also continue to build and everyday we grow closer to the inaguration on June 2nd. Since our last update in December, we have purchased all the fans and lights and have completed hanging and wiring the sheetrock walls. We have also finished placing all the 4 in. PVC pipes underground to the septic system and to the street for the baptistry and gutter drains. All the roof and inground pulpit tubes are done and after we finish prewiring the alarm we will be ready to lay tile.

The Bad -

As I mentioned in Friday's Facebook [video](#) above we are out of money. We would define "The Bad" 😞 as the bare minimum needed in order to move in on inauguration day June 2nd

- Laying the Ceramic Floor / Grout - \$8000.00 (includes labor for a couple of experienced tilers)
- 20 Windows & 10 Doors - \$6000.00 (first examples will be installed this week)
- Bathroom commodes, flush valves, dividers, water pump and pressure tank install - \$5000.00
- Metal Stairs, Gate & Side Trash Fence - \$3000.00
- Alarm Sensors, Contacts & Install - \$3000.00

Subtotal - \$25,000

& The Ugly -

We have gone over the budget and not everything is absolutely critical. We would define "The Ugly" 😞 as making inauguration day beautiful and just a tad "extra special".

- 200-250 Black or Grey Metal Chairs - \$7000.00 (Church currently has green plastic chairs)
- Sound System - 3 speakers and mixer - \$5000.00 (Churches board & speakers were stolen 6/22)
- 2 Projectors & 2 Screens - \$5000.00
- Signage, Cords & Microphones - \$1500.00
- Grass, Rocks & Flowers - \$1500.00 (Outside the building and around the baptistry)

Subtotal - \$20,000

Please pray with us about these needs, the **Grand Total - \$45,000**
