Opportunity in Villa Clara, Cuba

Pastor Nestor leads music during a recent family retreat

Not sure what an extra \$74 could do on the mission field? Pastor Nestor Ojito who trained with us in Cuba before we were forced to leave, recently informed us about an incredible opportunity to start a new work in the central province of Villa Clara. This is approximately 270 kilometers east of the last church we started in Havana in 2005.

Last year, the churches in Cuba began giving so that several men and women could travel to the province of Matanzas each Tuesday to share the gospel. While this continues, another group desires to go even farther visiting the Los Cirios and Vigía areas of Villa Clara. They already have had several receive Christ here on just a few trips. **Believe it or Not**, Regina and I along with the leaders of the Cuban Fellowship visited Villa Clara several times together and longed to start a work in this province for many years. Could this be the answer to our prayers? Could your church afford an extra \$74 a month through 2014? There are five individuals and 1 Pastor willing to go, preach, teach and disciple and to do this rotating week in, week out. If you or your church would like to send them, please contact us.
