## Sowing, Watering & Reaping!

Pastor Dial baptizes his son Nathanael

The new building continues to be a huge blessing to the church in Don Pedro. The first missions conference was held in the building this month and once again their faith promise commitment broke all records! The week was filled with special choirs, lots of prayer, and the preaching was centered around John 4:36-38 and 2 Corinthians 8:1-5. Even more amazing was Christine Borguette, Roudina Fenelon and the entire Surin family from Pastor Dadou's mission in Canca de la Piedra, receiving Christ as their personal Savior during the conference. They are all being discipled and even more baptisms are expected soon. The church would like prayer during the holiday season for: 1.) Special Christmas services they have planned December 22nd 2.) New Years Eve services December 31st 3.) More opportunities to win people to the Lord and establish another mission in 2025 in a surrounding community 4.) That God would provide a basketball / volleyball court behind the church for youth meetings and special events. 5.) Haiti, with surging gang violence and a government with no elected leaders, it has set off an exodus of people to the D.R. again seeking security. While none of the members of the church have been deported, please pray that all who desire to live legally in the Dominican Rep. will be able to update their documents during these difficult times.

## Top 10 Fun Facts

On our travels in the U.S., several of our supporting churches have inquired about what we like about being citizens of the D.R.

1. The Dominican Republic is the only country in the world to have an image of the Bible on its national flag.
2. The D.R. is the second-largest island in the Caribbean after Cuba but since it shares the island of Hispaniola with Haiti, that makes us the largest populated island in the Caribbean.
3. Spanish is the official language of the D.R. but you will hear Haitian Creole spoken in every city on the island as well. The Peso is our official currency and is currently \$1 to 59 Pesos. [Click here](#) for full article.
