Materials and Labor Needed

TLC & Church floor album - Water pump running

It takes about 7 hours for our team to drive from Santiago, D.R. into Port au Prince, Haiti, cross the border and get to work. The roads are tough and the border officials are tougher; yet God has abundantly blessed us with grace and health. Once on the ground, we work at a feverish

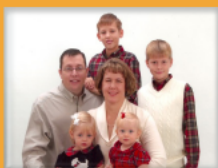

pace, anywhere from 6 - 12 days, only to return, catch up with our ministries, re-supply and repeat it all over again. Neither Pastor Dial, myself, nor our team, ever imagined we would be doing this for this long, but we are extremely content with the spiritual fruit God has supplied, as well as the physical blessings.

Believe it or Not - we still have a little over \$12,000 worth of needs. If you can help, please send that to the missions office P.O. Box 191 Springfield MO 65801 marked "Tom and Regina Franklin - Haiti". If all goes well, our team should be turning things over to Haitian leadership soon.
