Taking Tierra Alta to the Next Level

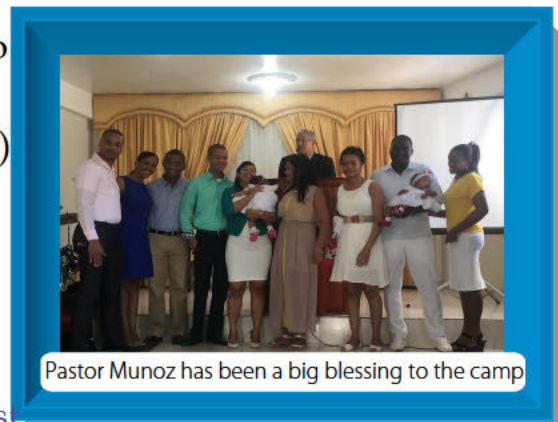

We just had 419 in camp, one of the largest so far :)

Please pray for our staff. We have already added several new full time workers and now have over 50 we are training and working with every day. This year we are doubling our high school evangelistic camps and have a real possibility of serving more than 20,000. Its a tremendous opportunity. Pray that each young person that accepts Christ also is integrated into a local church

where they can be discipled and grow and one day, return as a volunteer counselor. We are praying for 160 volunteer's and only the Lord can do something that big. Just this month, we have hosted over 2,061 guests in 12 different events and 73 have made positive decisions for Christ. We have also been working very hard on legalizing the camps buildings, while also improving the facilities. This year, we have purchased a new boom lift, built a new cistern, installed more sprinklers (we have had a strong drought here for several months) and had the city come in and redo several roads. God is blessing.

Birthday Blessings

I was invited to preach on my birthday in Templo Biblico. Afterwards, Francisco (our newest employee at the camp - holding baby on the right) and Jonathan (new operations director in pink on the left) dedicated little ones to the Lord. It was absolutely beautiful. Then Pastor pulled one of the greatest tricks on me and I took the bait hard. The whole story is on www.facebook.com/DR4christ

Pastor Munoz has been a big blessing to the camp
