Vision and Goals Set for Tierra Alta

Tom speaks to Dominican pro soccer team "Pantoja"

Regina and I have laid out a strategic

development plan for the camp for the next 5 years. We are so thankful that the proposals in that plan have been approved by the Foundation. This year, the four main goals we want to keep in front of the staff are: 1.) Start the Church Planting Ministry 2.) Put the pieces together for a program staff before June 3.) Increase the number of

volunteer counselors by 50% by establishing stronger relationships with existing Baptist Churches, and 4.) Double the amount of school evangelistic camps. Please pray. These are very aggressive goals in light of our current budget situation for 2016. If we can accomplish this, next years goals will be more about the calendar and filling every week with specific ministries, training etc. Then we can begin to fulfill Dr. John Rawling's vision of a **"twenty-first century miracle via youth evangelism"** and it will not be dependent on a plan or the finances necessary to enable it - it will be dependent on the Lord. **The most important thing** is to "1.) continue to fall on our faces before God, pleading with Him for renewal through the power of the Holy Spirit and 2.) promise Him to be holy men and spiritual men **concerned with a.) the souls of men and women and b.) the condition of our local Baptist Churches"**- Dr. John Rawlings
 Please pray for us. Winning souls at the camp, adding them to the local Church, and authentically discipling them, works together hand in hand. It is a cycle and is vital to the camps future.

This years medical clinics started in San Antonio de Guerra
