God's Beautiful Design

New government paved road in front of IBB Don Pedro

The property we purchased several years ago is in line to get cleared, filled and compacted. While waiting on papers from the environmental agency, the government came in this week and paved the residential road right next to the property. The main Don Pedro road fronts the property already and everyone has been praising the Lord for this unexpected blessing. That same

week, Emile Charles, who has been in the Church since 2008, led two teenagers to the Lord on visitation; Liliane (13) and Esther (16). They have been attending every week. 😊 Marthe continues to lead a Bible club (since 2011) for neighborhood children. This month she is teaching the story of Jeremiah. The kid's favorite song (translated) is "The Bible is the Word of God... A book with no comparison... I always read the book of God... A book with no comparison." Next month, many children will be accompanying their parents as they go back to Haiti to visit family for Christmas. Please pray for their safety but mostly pray they will be witness's and share what they have been learning with others.

Cuban Blessings

The work in Cuba is growing. Pastor Alberto Castilla and the Bible Baptist Church in Gunabacoa (4th Church that was organized in 2004) just celebrated 10 baptisms in November. Pastor Alberto has been such a blessing and has asked us to pray for the work in Pinar del Río, which has gained a lot of territory spiritually.
