Youth Camp Blessings

Regina led Isabella to the Lord at Youth Camp

It's always a sweet time reuniting with churches who have supported us for close to two decades. When Pastor Isbell from San Antonio invited us to do there Mission Impossible youth camp last year, I scratched my head and thought, "its been quite awhile since I was a youth pastor" but Regina and I prayed and the Lord led and God really blessed. From playing Slam ball (they even

let me win a couple of times) to Human fuse ball (a first) to all the water activities - (no one will forget Regina screaming all around the bay with me and Pastor on the banana boats 😂), to watching the girls reconnect, to seeing Jordan teach the young men during lesson time - it was all amazingly wonderful. However there is nothing that compares to seeing God working in the lives of young people - it is just a blessing. It is here, during times like these that God can call in that "still small voice" young people to be Pastors or Missionaries or Pastor Wives or Missionary Wives. We praise the Lord for several who received Christ as their Savior and the other decisions that were made. God is good!

... into the House of the Lord

The last several months we have received reports from the fourth church we planted in Guanabacoa, Cuba. Pastor Alberto had a beautiful baptismal service at the beach and then June 28th we posted video of yet another baptism service along with one of the services at the church. This month they celebrated there 15th church anniversary around the theme of Psalm 122:1.
