## Bursting at the Seams

Services are packed as church continues to grow

**F**aith can move mountains according to

Matthew 17:20 and we need prayer so that both the spiritual and numerical growth we have experienced in the Bible Baptist Church of Don Pedro will continue. Pastor Dial has been faithfully discipling many new adults and has had several baptismal services at the river this past month.

Please pray for Woodlander Jerce, Beaubrun

Nickson, Yves Pierristil, Nadege Pierre-Louis and Yves Pierre - all of whom have received Christ recently. This growth has led to a "good problem" in that we have no more room to grow in the house we are renting. We have been working with a local engineer who has designed a building for the property that we purchased several years ago for the church. The men feel confident that we can build it, but the materials are going to be \$116,000. Please pray for Regina, the girls and I as we have several opportunities to present this need to supporting churches in the Kansas City area in the next few weeks.

## Please Pray For Haiti

**T**he scarcity of fuel (the destabilization of Venezuela plays a part in this) and the growing economic problems has put basic necessities increasingly out of reach for many in Haiti. The D.R. continues to see many Haitians come as there seems to always be a political crisis. Please pray for Pastor Clifford and the church we started after the earthquake in Croix des Bouquet. It is doing well but needs our prayers.
